

CHICAGO REFORMERS RESORT TO BOMBS

Attempt Made to Blow Up Coliseum Building in Which Men-Memorize Orgie Is Held—Two Men in Attempting Junk Store May Have Been Killed.

Chicago, Dec. 13.—Two men were thought to have been lost at the Coliseum, and the building in which the men memorize the orgie was partly wrecked tonight by a terrible dynamite explosion which wrecked the neighborhood of Sixteenth street and Wabash avenue for blocks.

A bomb thought to have been loaded with nitro-glycerine was set off at the southeast corner of the Coliseum. The powerful bomb was placed under the "Property" store room of the Coliseum company and it tore out the entire south wall of the building and destroyed that end of the roof. Leaving almost up to the destroyed building was a little two-story frame shack in which two junk men resided. One side of the shack was driven in ward and the entire hotel was filled with debris and junk. It is thought that the junk men were inside the hotel when the explosion occurred. If they were they could not have escaped. One of the junk men is said to have been a Scotchman, who was a known trawler. The name of the other is unknown.

Work of Reform League.

Inspector John J. Wheeler tonight again charged the Chicago Law and Order League with causing the explosion after he had taken the reports from the scene of the destruction had worked on the case. He declared that there was no doubt in his mind that the Law and Order League was responsible for the explosion, and that he had circumstantial evidence which pointed directly to agents of the reform organization. Furthermore, the police chief says that he was convinced that the Chicago Law and Order League had been a well known cause for months past, and that a bomb dynamite in the pay of certain reformers had been dynamiting the Coliseum in Chicago for months past.

Tonight's bomb was No. 27 in the series of bomb explosions which have taken place in Chicago, although the bomb was not directed towards a building, as the explosion occurred in the open.

Building Withstood Explosion.

If the two men were killed, they are the first fatalities in the series, and this was the most powerful of the many bombs which have preceded it. While the property room of the Coliseum, a two-story frame building, nothing close to the Coliseum ruins and running from Wabash avenue back to the alley, was wrecked beyond repair, the Coliseum proper was unharmed. A few windows were broken in the Coliseum and the big building stood until the steel girders vibrated for several minutes, but the building proved strong enough to withstand the strain.

CHILDREN BURNED TO DEATH.

Shocking Tragedy on Farm in Hawthorne Township, Ont.

Ottawa, Dec. 13.—A farmer of Hawthorne, a small place on the Ottawa river, ten miles from the city, was burned to death in a fire which destroyed the Schaefer house this morning. Schaefer goes out at six o'clock, and having lit the fire proceeded to the barn, where he was killed by the fire shortly after. While they were engaged in milking the cows the house caught fire, probably from the flames. When they discovered the fire, Schaefer made frantic efforts to rescue the children, who were sleeping upstairs, but was driven back by the flames and smoke. For a while he could hear Baby, the eldest of the four children, cry four and a half years, calling "Daddy, daddy," but could not get to her.

TO COMBINE AGAINST SWIFT.

Gigantic Packers' War Against the Central of Canadian Business.

Chicago, Dec. 13.—A struggle between Swift & Co., the Chicago packers, and a combination of all the big packing interests of Central and Western Canada, known as the Canadian field is said to be involved in the outcome of a mysterious conference of eastern bankers and western United States and Canadian capitalists, which was held in Chicago last night.

The conference was held in the Auditorium annex. The conference was begun this morning and continued until late in the evening, and will be resumed tomorrow.

The strictest sort of secrecy is being maintained by all the conference members to give out the least information concerning the nature or extent of the deal they have in hand.

The men who are participating in the conference are Samuel and Daniel Undermyer, the New York bankers; R. M. Macleod, a meat packer of Chicago; A. W. Anderson, of New York; J. H. Anderson, of Spokane; W. C. McDonald, assistant attorney general of Washington; J. W. McDonald, attorney general of Montana; and Albert Galois, of Helena, Mont.

These men were closeted in their apartments from early morning until late in the evening. All the time they were served to them in their rooms. They had the constant attendance of waiters and several private stenographers, who are said to have been brought to Chicago with the party. They were kept throughout the day in the preparation of various papers.

AUSTRIA OFFERS TEN MILLION COMPENSATION

Conference Between Austrian Ambassador and Turkish Officials—Offer is Refused as Inadequate for Amputation of Bosnia and Herzegovina.

Constantinople, Dec. 14.—Following Austria's refusal to accept the ultimatum which Turkey regarding the amputation of Bosnia and Herzegovina, the Austrian ambassador to the Porte, Count Tisza, yesterday offered to pay ten million pounds, and proposed certain terms for the return of the territory. The nature of these terms cannot be known with certainty, but it is believed, in well informed circles, that they are offered by Austria to contribute to the settlement of the Balkan question, and that they are offered by Austria to contribute to the settlement of the Balkan question, and that they are offered by Austria to contribute to the settlement of the Balkan question.

DRUNKENNESS IN TORONTO.

More Than in Any Other City in America, Mr. Wright Says.

Toronto, Dec. 13.—There is more drunkenness in Toronto than in any other city in America, was the statement made by Mr. A. W. Wright, secretary of the citizens' committee, formed to fight liquor reduction, at the Globe yesterday. He claimed that this was due to the reduction of hotel licenses. His contention was that by cutting off one hotel the business of the others was increased. He stated, encouraged the treating system.

Over 600 men, Mr. Wright said, had voluntarily come forward and offered their names in the fight against liquor reduction, as against the three years ago. He said Mr. Wright stated, were in no way connected with the liquor traffic. Some of them were in favor of license reform, but they were not in the direction of temperance.

Mr. Wright was not certain whether public meetings would be held in the future or not, but in his opinion they should be held.

Discrimination Against Halifax.

Halifax, Dec. 12.—The Halifax board of trade is engaged in trying to remedy what they consider the discrimination against the Halifax Board of Trade. Some time ago the board was asked to accept a freight tariff in which they instructed their agents at Halifax to charge 24 cents per ton on local ocean freight coming to Halifax, and 24 cents per ton on similar freight to St. John. The cause of the discrimination is the charge of the C. P. R. steamers land freight at Halifax, taking it all to St. John and sending it back by the Intercolonial railway at an extra cost of \$2.00 per ton.

THE MAT.

TERRIBLE TURK WINS.
Chicago, Dec. 11.—Yusuf Mahmut, the terrible Turk, demonstrated that he was terrible in action as well as name by defeating Fred Bull in two straight falls tonight in the international wrestling show at the arena. Mahmut won the first fall by a chin, and the second by a 30-point decision in weight passed entirely too much for Bull, and he had the American on the defensive all the time in the first half and most of the half in the second. Mahmut showed that he had speed as well as brawn. Bull is clever but he was unable to do anything with the Turk, who forced a corner and who showed in the case of a horn master. The Turk was not in danger at any time. He took him a little rest at any time. He won the match.

WILL DRAW BUMPER CROWD.

There is every indication that the boxing bout on Thursday night between Jimmie Peter of Edmonton and Billy Louder of Calgary, will draw one of the largest crowds of any fighter bout in Alberta. The advantage side of seats has been heavy, and many who intend taking in the event should secure their seats as early as it is probable that the house will be sold out before the 7th. A large number of sports from Calgary and other towns in the western part of the province will come north of special train on Thursday morning to the bout.

Both Peter and Louder are working hard and are getting in splendid shape for the contest. They will both be down to the required weight, 125 pounds at 5 o'clock, and will weigh about 130 at the time of the bout. Peter is working out at his training quarters on Fraser avenue opposite the Scotiabank, while Louder is training in the C.P.R.

The C.P.R. are putting a special train into the arena house and will cover the bout by radio, giving the results to various towns in Alberta.

HOCKEY.

REGULAR PLAY COLLIDES.

The regular season of the fast amateur hockey teams in the city, have decided to start in the new hockey league that is being formed. They have arranged to play two practices a week in the City Hall. Tonight they will play a practice hockey match with the Alberta club team commencing at 5 o'clock sharp. There will be no admission fee charged. The following is the probable line-up: Regal-Herrick, McLeod, Gordon, Barford, Fraser, Tate, Young or Banford, Alberta club—McCrann, Walton, Dickson, Baker, Cairns, Barrett.

LESTER PATRICK SIGNED.

Another star hockey player has been signed by the Edmonton Hockey Club in the person of Lester Patrick, of Nelson, B. C. Patrick is well known hockey player as one of the best point players in the game and he will strengthen the Edmonton team greatly. The club now have a complete roster of some of the fastest hockey players in Canada and they are anxious for the Stanley cup lock party goal. Individually the team is made up of stars with one or two exceptions. Most of the men are in good shape and with a couple of weeks team practice should make eastern hockey teams envious.

Tom Phillips, the star forward, is expected to arrive in the city this afternoon. He will not likely practice tonight, but will possibly play in tonight's game on Tuesday night. Patrick was due to leave Nelson for Edmonton this morning, but was unable to get away. As a consequence he will not come here, but will join the team on Wednesday. His practice tonight for Portage and will also join the team in Winnipeg. Arrangements have been made with the Associated Press to have the team in the city before the match. They will leave Edmonton on Wednesday evening, Dec. 16th, on the C.N.R. for the east and will arrive in Montreal on Monday morning, Dec. 20th. They will have a week to practice and will play the Wanderers for the Stanley cup on Monday, Dec. 20th, and Wednesday, Dec. 22nd. The players will take train every station point along the line on the way east and will keep in good condition. The team is now in Montreal and the Wanderers started practice on Monday last.

A special car has been secured for the party and will be with the team. Among those who will go east on this car are A. M. Stewart, president of the Edmonton Hockey Club, R. E. Chavira, secretary, J. McCulloch, treasurer, H. H. Smith and family, F. Groat, Heta, B. H. Smith and J. Mould.

The second game on Tuesday night should be decidedly interesting and tickets are now on sale at the Thistle rink. All the players who will play in the game for the Stanley cup will be on the ice except Hall and Patrick. The picked team from Edmonton and Strathcona will be strong one and the class of hockey put up should be of the stellar variety.
